

CA 2E CM (PTC/MKS IMPLEMENTER) Administrator Training

CM First provides CA 2E CM Administrator Training for ALM Administrators to ensure that they can use CA 2E CM (PTC/MKS Implementer) to manage change more effectively in their environments. Students will learn about the basics of the solution and how to configure it for their needs. In one to two days of hands-on training, students will understand how CA 2E CM works and be able to return to work able to use it in their ALM process.
